

Zoey Deschanel, I Was Made For You

I was takin' a walk, when I saw you pass by
I thought I saw you lookin' my way, so I thought I give you a track
When I saw you smile, I saw all dream come true
So I asked you maybe...Baby what you gonna do?
Cause I've been waiting for a long time for a boy like you
And I can't waiting anymore
Baby, baby I was made fot you /x2
