

Zorneus, Out of the dark

Out of the dark
And into the light
Out of the dark
And into the light
We, you, us
This is Zorneus
He's coming out of the dark
Fine game, a new way to start
He's gonna party with us
His name is Zorneus
He's coming out of the dark
Fine game, a new way to start
He's gonna party with us
His name is Zorneus
He's coming out of the dark
Fine game, a new way to start
He's gonna party with us
His name is Zorneus
He's coming out of the dark
Fine game, a new way to start
He's gonna party with us
His name is Zorneus
