

# Zornik, Believe In Me

Is a dream a lie, when you know it won't come true.  
and I feel like I can't be with or without you.  
and I must hide 'cause my faith is on the run.  
or do I have to hang on till I know you know.

if you believe in me...  
if you believe in me.  
if you believe in me.

Is there a world outthere where no one gets big lest.  
'Cause i'm tired of dreaming the future becoming past.  
And I must hide now 'cause my faith is on the run.  
Or do I have to hang on till I know you know.

if you believe in me...

if you believe in me.  
if you believe in me.

I wanna be somebody.  
I wanna be somebody else.  
I wanna be somebody.  
I wanna be somebody else.

if you believe in me...
