

Zornik, Closer

Come a little closer, why don't you leave the light on?
And it's a nice day to leave you again..
And it's time to break out and be on
It would be nice of you to go

Walk away
Come again
Walk away
Come again
Come again, la-la-la-la, I have to go
Come again, la-la-la-la, I have to go

Come a little closer, why don't you leave the light on?
And it's a nice day to leave you again..
And it's time to break out and be on
It would nice of you to go

And I wanted everybody to be closer,
but the words came out all wrong and I'm just lonely..

Walk away
Come again
Walk away
Come again
Come again, la-la-la-la, I have to go
Come again, la-la-la-la, I have to go

And it's so damn hard
and it's a waste of my time
It's so damn hard and it's a waste of my time..
