

Zucchero, Blue

(Zucchero - Bono)

No petrol in the car
No pennies in the jar
How did we get this far, baby.

No moon in the sky
No roof to keep us dry
Looks like rain tonight.

I got a sinking feeling
Coming over me
I got a sinking feeling
I tried to paint a picture
A picture through the clouds for you.

Green Your smiling eyes
Red 'Cause I made you cry
Grey These rainy skies
Tomorrow will be

Blue Stay love
Stay tonight
These rainy skies
Tomorrow will be blue

No caffeine in the coffee
No sugar in my tea
Just watching the TV
With the sound down
No radio on
No tune to the song
And the words are wrong.

Your fingers tapping
To the rhythm of the rain
Your fingers
I tried to paint a picture
A picture through the clouds for you.

Green Your smiling eyes
Red 'Cause I made you cry
Grey These rainy skies
Tomorrow will be

Blue Stay love
Stay tonight
These rainy skies
Tomorrow will be blue

I got a sinking feeling
Coming over me
I got a sinking feeling
I tried to paint a picture
A picture through the clouds for you.

Green Your smiling eyes
Red 'Cause I made you cry
Grey These rainy skies
Tomorrow will be

Blue Stay love
Stay tonight
These rainy skies

Tomorrow will be blue

Oh child
Don't say goodbye
These rainy skies
Tomorrow will be Blue

Stay love
Stay tonight
These rainy skies
Tomorrow will be Blue
