

Zucchero, Dunes of merci

Take my soul in my sorrow
Ive been losing my mind
Take my soul in my sorrow
Walking on, dunes of mercy
Dont cry, oh no
Joy will dry your tears
And misery
Make it disappear
Take my soul in my sorrow
Like a babe at your breast now
Take my soul and I follow
Rolling on, dunes of mercy
Dont cry, oh no
Joy, youre not alone
Oh shelter me
Lord please take me home
Babe let the feeling go
Unchain my emotion
Stay cause I need you so
Oh never, never leave me
So let the river flow
Oh down to your ocean
And let the rain fall
Over me
Take my soul in my sorrow
Ive been losing my mind
No yesterday, no tomorrow
Walking in, dunes of mercy
Dont cry, oh no
Joy will dry your tears
And misery
Make it disappear
Take my soul in my sorrow
Walking on, dunes of mercy
Take my soul in my sorrow
Walking on, walking on
Dunes of mercy
Take my soul in my sorrow
