Zucchero, Senza una donna

This ain't the way, I spend my mornings baby Come stai? You been with him, And now you come back lady Hey, what's he like? I just sit, and watch the ocean With myself, even doing my own cookin' You can laugh, you've forgiven, but I'm no longer frightened, to be livin' Senza una donna, No more pain and no sorrow Without a woman, I'll make it through tomorrow Senza una donna. Givin' me torture and bliss Without a woman, better like this There is no way, That you can buy me baby Don't make fun You got to dig, a little deeper lady (in the heart?) Yeah, if you have one Here's my heart, feel the power Look at me, I'm a flower You can laugh, you're forgiven, but I'm no longer frightened, to be livin' Senza una donna... Without a woman... Senza una donna... Ooh I stay here, and watch the ocean Don't know why, I keep on talkin' You may laugh, you're forgiven, but I'm no longer frightened (maybe), To be livin Senza una donna... Without a woman... Senza una donna... Without a woman, Vieni qui! Come on in Senza una donna, I don't know what might follow Senza una donna, Oh, maybe from tomorrow! Senza una donna. Givin' me torture and bliss
