I take it de woman you come here so with,

De look upon you face betrays your cowardice
Now she a my mistress

4 inna de morning deh a restaurant, all a de woman dem a stand inna front
Zulu man a come with the entourage, dem give we people dem whatever we want
De woman who left you now deh upon me side,
A next one a come and she well want de ride
Dem know seh we give dem de lovin supply

We get de gal dem wet
Minute man no get another shot inna de bed, gal fi run red
When it come to de sex

Cock up fi you bumpa, gal a murder you fi get, that you expect
You see de gal dem wind
Woman say she fit and she a look a good time, seek you shall find
We blow de gal dem mind
Gal dem just a come inna de place a good sign, well dressed, divine

6 inna de morning two gal inna bed, inna de hotel room
It's way too soon to tell which one of dem seh me like de most
Bad man Zulu choose dem both

I'm in a position to make dem demands, me well qualified fi de matters at hand
sins of de flesh a me wickedest vice, jook dem but treat dem nice, why?

Some bwoy a gwan like dem hate woman, me just a wonder whe dem youth deh upon
Dem come inna de place with a couple a grand, and pay de gal fi de one night stand
What dem a do inna de club, a confuse fi love, and certain gal dem a play de field
But when de Zulu man a come, well you heard the song,
The gal a flex with de sex appeal

We get de gal dem wet
Minute man no get another shot inna de bed, gal fi run red
When it come to de sex
