

Zvuki Mu, Forgotten Sex

Air transport is wide spread
Steamers and trains
I will accept any fee
For my work
300 minutes of pleasure with oneself
300 minutes of pleasure with oneself
The subway is so charmingly deep
Everyone is smiling
Everyone agrees to live out
Their lives in public
300 minutes of pleasure with oneself
minutes of pleasure with oneself
Sex, sex, sex, sex, sex....
Wives leave husbands
It's impossible otherwise.
Young ladies listen to the radio
In the squares
young man digs a tunnel
With his strong and passionate hand
A clerk carries a brief-case
And tenderly looks out for me
300 minutes of pleasure with oneself
300 minutes of pleasure with oneself
Every evening every day
Women make plans
Wanting to get everywhere
New cinema programmes
Are so interesting to watch
Forgotten pleasures
Are hidden behind microphones
A stranger touches a news-stand with his hand
And stars get brighter and brighter
There's again an article in a newspaper
Eyes looking me over get hotter and hotter
