

Zvuki Mu, Leave-Me-Alone

Tonight I've found a word
Quite a short word
'Leave-Me-Alone'
'Leave-Me-Alone'
But the telephone rings
But the telephone rings
Boring me to death

CHORUS

'Leave-Me-Alone'
'Leave-Me-Alone'
Don't ring me up
I don't want it
Our days are over
I don't love you
But I hear a whisper again
Your boring nasty whisper

CHORUS

I'll tear out the wire
This thick black fat wire
'Leave-Me-Alone'
