Zwan, Honestly

I believe
I believe
I believe
I believe
I believe the love you talk about with me
is it true, do I care
honestly, you can try to wipe the memories aside
but it's you that you erase

'cause there's no place that I could be without you it's too far to discard the life I once knew honestly, all the weather storms I bring are just a picture of my needs 'cause when I think of you as mine and allow myself with time to lead into the life we want I feel love, honestly I feel love, yes, honestly

I believe you mean the best that life can bring I believe in it all honestly, you can try your heart is just as long as mine is it ours to let go

'cause there's no place that I could be without you it's too dark to discard the life I once knew honestly, a single wrong is not enough to cover up the pain in us 'cause when I think of you as mine and allow myself the time to lead into the life we want I feel love, honestly I'll make a joke so you must laugh I'll break your heart so you must ask is this the way to get us back I don't know, honestly I don't know, yes, honestly

there's no place that I could be without you honestly

there's no place that I could be without you there's no place that I could be without you there's no place that I could be without you there's no place that I could be without you honestly
