

Zwan, Song For Judy

you have a funny way of showing it
you have a funny way about
taking all my love and breakin'
don't you know the world is aching, somewhere

you have a funny way about
it's in the sadness in your smile
please try to understand
you'll make an honest man of me yet

i'll take that second chance
as if love was romance
please try to understand
you have a funny way of giving up

it's just the little things that you do
taking all my strength and shakin'
out the doors that i've been savin', someday
please try to understand

you'll make an honest man of me yet
i'll take that second chance
as if love was romance

you have a funny way
you have a funny way
please try to understand
you have a funny way with love
