

Zwei, Me Name Is Megu

Walking home
In the middle of the night
Rain is falling down
And I feel somebody is watching me
I turned around and there she is
She looks me straight in the eye
And I say to her
What is your name
She told me her name is Megu
Who else could it be she said
She looked me straight in the eye
And I started to shake
Cos when she looks at you
You know its gotto be Megu
And when you see her
You will also know
