

# Zz Hill, Down Home Blues

She said &quot;Your party's jumpin' and ev'rybody's havin' a good time

Now you know what's goin' through my mind  
Do you mind if I get comfortable and kick of these shoes

While you're fixin' me a drink

Play me some o' them down home blues&quot;  
She say &quot;I don't get out much on the town  
And you know I done cut out a lot of that runnin' around

All week long I've been keepin' my cool  
But tonight I'm gonna let my hair down  
And get down with these down home blues&quot;

Down home blues (down home blues)  
Down home blues (down home blues)

All she wanted to hear was some down home blues

All night long, ev'ry other record or two

She said &quot;Take off those fast records  
And let me hear some down home blues&quot;

(Instrumental Break)

She say &quot;You know my ol' man is gonna wanna fight

He calls ev'ry hour I'll be gettin in tonight

But I don't care, tonight I'm gonna do as I choose  
I'm gonna lay my head back

And party off these down home blues&quot;

Down home blues (down home blues)

Down home blues (down home blues)

All she wanted to hear was these down home blues

All night long, ev'ry other record or two

She said &quot;I'm gonna lay my head back

And party off these down home blues&quot;

Down home blues (down home blues)

Down home blues (down home blues)

All she wanted to hear was those down home blues

All night long, ev'ry other record or two

She said &quot;I'm gonna lay my head back

And party off these down home blues&quot;

Down home blues (down home blues)

Down home blues (down home blues)
