

ZZ Top, Chartreuse

Chartreuse
You got the color that turns me loose
Chartreuse
That color just turns me loose
Better than Magenta
Better than Fuse
You got a shade that gets rid of the blues.

Chartreuse
Don't you know I like big Caboose
Chartreuse
You know I like that big Caboose
Its sure sweet,
Lights my fuse
Its sure sweet,
Lights my fuse

Chartreuse
That color just turns me loose
Chartreuse
You got the color that turns me loose

You got the blues baby
I got the juice
You got the blues baby
I got the juice
