

ZZ Top, Dipping Low (In The Lap Of Luxury)

I went around the world till I found the right spot.
It was ultra sweet and just a little bit hot.
Dippin' low in the lap of luxury.
Dippin' low in the lap of luxury.

Now if you get down there you'll be doin' it right.
Yeah, once you got it you better hold on tight.
Dippin' low in the lap of luxury.
Dippin' low in the lap of luxury.

Now if you wanna break down I'll hold my head up high.
I'm a good mechanic, I'll go over you in style.
Dippin low in the lap of luxury.
