

# ZZ Top, Fearless Boogie

Call me a pretty boy  
They call me a saint  
They call me a sinner  
It's gonna be the same  
Now I'm not afraid  
And I'm not afear  
I ain't gonna lose it  
And I'm not scare  
To do the fearless boogie  
To do the fearless boogie  
Smokin' fearless boogie  
Until it's gone  
They call me a pontiac  
The red in my neck  
They call me a cadillac  
They call me a wreck  
Now I'm not afraid  
And I'm not scare  
Now I ain't gonna lose it  
No, I'm not afear  
And do the fearless boogie  
To do the fearless boogie  
Smokin' fearless boogie  
Until it's gone  
(third verse not given)  
They call me a lover  
They call me a fool  
They call me a winner  
They call me a mule  
Do the fearless boogie  
Do the fearless boogie  
Smokin' fearless boogie  
Until it's gone, gone, gone  
(ad lib)
