

ZZ Top, Groovy Little Hippie Pad

I'm gonna find me a groovy little hippie pad.
I'm gonna find me a groovy little hippie pad.
I work a hundred grand scam from a border town.
Well, I'll be feeling glad.

I'm gonna find me a blonde-haired mama,
In a jeep with a german shepherd by her side.
I'm gonna find me a blonde-haired mama,
With boots and a fourty-four on her side.
And if I ain't too hjiigh or used up,
I'll have her take me for a groovy little hippie ride.

I'm gonna fix brown rice every day,
And drink down a bottle of midnight red.
I'm gonna fix brown rice every day,
And drink down a bottle of midnight red.
That's all I need to get groovy,
That's what all the little hippie said.
