

# ZZ Top, I Thank You

You didn't have to love me like you did  
But you did, but you did.  
And I thank you.  
You didn't have to love me like you did  
But you did, but you did.  
And I thank you.  
But You Took Your Love To Someone Else  
I wouldn't know what it meant to be loved to death

You made me feel like i've never felt  
Kisses so good I had to holler for help  
You didn't have to squeeze it but you did  
But you did but you did  
And I thank you.  
You didn't have to hold it but you did  
But you did but you did  
And I thank you.

Every day was something new,  
You put on your bag and your fine to-do  
You got me trying new things too  
Just so I can keep up with you.

You didn't have to shake it but you did  
But you did but you did  
And I thank you.  
You didn't have to make it like you did  
But you did but you did  
And I thank you.

All my life i've been shortchanged  
Without your love baby it's a crying shame  
But now I know what the fellas talking about  
Hear me say that they been turned out  
I want to thank you  
I want to thank you  
I want to thank you  
Yes, I want to thank you
