

ZZ Top, Loaded

Loaded
Gonna Have A Good Time
Loaded
Gonna have a good, good time
Don't you know that I wanna get loaded

Lit
Brighter than my butane
I said lit
Hotter than my low-down thing
Take me inside-out, 'til I'm gone insane
Well, oh yeah, shellac

Loaded, loaded, locomotive
Loaded, loaded, disembodied
Let's fry
Like a paxton blower
Like a paxton twist
Black cadillac
Aphrodesiac

Loaded
Tankin', skankin' with the rank-n-file
Load me up
Gettin' it good for a little while
Don't you know that I wanna get loaded
Yeah, put me up

Loaded, loaded, locomotive
Loaded, loaded, don't you just know it
Harpoon, loaded, well
Like bridgette bardot
Like a french high-roller
