

ZZ Top, Manic Mechanic

You want to race?
If you insist.
At that price, I can't resist.
That's right, that's right, that's right.

Tonight it ain't right,
I got to have me a week.
But I'll be back for you, jack,
And I'll let the machine speak.
That's right, that's right, that's right.

Showdown? You bet.
And I haven't saddled my pony yet.
Have mercy, miss percy.
I done put the coon tune on this bet.
That's right, that's right, that's right.
