

ZZ Top, Tramp

Tramp

You could call me that
I don't wear continental clothes
Stetson hats, sometimes
(????)
Heh heh
Momma would. Papa too.
I love this child. It is all I know how to do

Heh. Call me country
Right from the words.
I'll answer when you call me.
'Cause baby, if that makes you feel good
Hm.
(???)
Momma would. Papa too.
I love this child. It is all I know how to do

Ha. Now whatever you call me,
Ha ha, I'll even go for that.
'Cause I keep a big, fat bank roll in my pocket, baby
And I'm personal friends with the dealer who owns all the dealerships of all the Cadillacs.
Ha ha!
(???)
Ow!
Ma would. Papa too.
I love this child. It is all I know how to do
Come on child, let's play it
(???)
