

ZZ Top, What Would You Do

What would you do if you was to love me?
What would you do if I loved you too?
I know that I'd fall like a sinner
I'd rather fall like a sinner than fall and lose.
What would you do if you was to Fuck me?
What would you do if I fucked you too?
I know that I'd fall like a sinner
I'd rather in sin than fall and lose
Sometimes someone gets down and out
Sometimes someone gets love devine (?)
What would I do if you was to Fuck me?
What would you do if I fucked you too?
I know that I fuck like a sinner
I know that I'd fuck you til you're blue
I know that I'd fuck you til you're blue
